

WEIGHT INCLUSIVE TOOLKIT HAS ARRIVED!

The first standardized Weight Inclusive Curriculum Toolkit in the history of Nutrition and Dietetics Education

Developed by WITI

**Free for all Educators,
Preceptors, Students,
Interns, and Practitioners**

**20+ Lectures and Case
Study Presentations**

**100+ Contributors with Lived
and Professional Experience**

**Provides Tools to Meet the
2027 ACEND Standards**

JOIN THE LEARNING COMMUNITY:

- Receive the Toolkit upon release
- Access and share free monthly training modules (faculty, preceptors, and practitioners; CPEUs included)
- Share resources with colleagues, as desired
